**Role of Harbor Offshore, Inc.:**

Subcontractor; construction diving.

All (100%) Construction Diving portion of the project performed by Harbor Offshore, Inc.

**Date started:**

September 2010

**Date completed:**

December 2010

**General scope of the project:**

Harbor Offshore, Inc was contracted to assist in the installation of 53 miles of submarine cable from Pittsburg, CA to South San Francisco, CA.

**The nature of the work that was performed:**

Harbor Offshore, Inc. provided six shallow water and deep water dive spreads crewed for 24/7 operations within a week's time to support the laying of 53 miles of submarine cable. These operations included cable sled installation and retrieval, surveying, u/w video, sub mar mat placement, and extensive cable burial operations performed by hand jetting.
